

“The environment at Isaac is built around what I enjoyed most from my Western University education. My engineering mindset and consulting experience uniquely prepared me for the tasks we face, and the culture at Isaac is an extension of the young, driven atmosphere I came to enjoy while studying at Western.”

# Keifer Stevenson

**Isaac Consultant, 2019 Western University Graduate**

Honours in Business Administration, Ivey School of Business

Bachelor of Engineering Science, Mechanical Engineering, Western University
